SOMEBODY'S SWEETHEART.

GIRLS! THICKEN AND BEAUTIFY YOUR HAIR.

Bring back its gloss, lustre, charm and get rid of dandruff—the moist cloth.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting all over your scalp—Danderine is, we believe, the only sure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

SACRED TO THE MEMORY OF OUR DEPARTED FRIEND, Andrew L. Thompson, who was born and raised in this county and who had as many friends as any man in the county. His sickness was of long duration which he bore without a murmur. He married Roda Skeens, of Pike county, in 1872 and to this union were born six children of which four are living. His wife died 11 years ago.

Andy was a member of the Christian church and was also a Christian man. I have known him all my life and loved him as a brother. God knows I miss him but have a hope that after this life with me is over that I will meet him on Calnans fair shore. He departed this life Oct. 22, 1913, aged 67 years.

'Tis sweet to rest in lively hope

That when my change shall come

Angels shall hover round my bed

And waft my spirit home.

IF CONSTIPATED OR BILIOUS "CASCARETS."

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Get a 10-cent box.

Take a Cascaret to-night to cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous, upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets—or merely forcing a passage-way every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

FARMS FOR SALE.

This should appeal to men that want to raise cattle, hogs, sheep, or any kind of stock, and the man that wants to garden, raise fruits or berries, etc., for the market and excellent home. The market gardener needs the dirt, the dairyman needs the live stock man next, etc. I have farms suited for all purposes, many of them on the best pikes in the county, some on good roads, all handy to school and church. I get a good many questions asked me: "Are there any negroes in the school district near such a farm you have advertised?" I have no farms in negro settlements, so there are no mixed schools here. Many of the farms I have for sale are close to my own. You may find men that will tell you before you get to me that it is too far out. Don't stop. Come on. I can show you better. The land is better out here, is much smoother and the roads are just as good. I have several good farms for sale with good locations for store, blacksmith shops, and many good opportunities for men to make money. Come and see me before you buy. Write or call me over the Bell phone. Write to Scotoville, Okla. Always come on No. 15 on the N. & W. Write four days before you start. I will meet you with rig.
